Black Colour Hunter

Your heart starts to race. You
can feel the darkness taking
hold of you as the Black Colour
Hunter approaches.

Leave on for just 10 minutes for a gorgeous kiss of tan.

Ideally leave on for 1-2 hours for intense colour.

Instructions for Use: Ensure the client has waxed, shaved and exfoliated at least the day prior. Ensure the client does not apply moisturiser, deodorant or perfume to the skin. We recommend that you don't wear any make-up.

1. Spritz on **MediterraneanTan™** Pre-Spray
2. Spray one saturated coat or 50-70ml.
3. Lightly spritz on **MediterraneanTan™** Post-Spray whilst spray tan is damp.
4. Dry in spray tan as usual. Have a 60 second warm water rinse at the desired time, maximum of 4 hours, as over processing may occur.
